Re: Intermec IP Corp. v. Symbol Technologies, Inc. C.A. No. 04-357-GMS;
Symbol Technologies, Inc. v. Intermec Technologies Corp.
C.A. No. 05-146-GMS

Dear Judge Sleet:

This will confirm, as we advised Your Honor's Chambers yesterday evening, that the parties have reached an agreement to settle the RFID litigation, C.A. No. 04-357-GMS. We expect to file a stipulation of dismissal of that action shortly.

Intermec and Symbol have also agreed to request that certain other litigation, including the contract action pending before Your Honor, C.A. No. 05-146-GMS, be stayed for ninety days so that possible resolution of that litigation can be explored, and that the schedules in those cases be extended by three months. The parties to that litigation have agreed to file a Stipulated Motion for Extension of Time promptly. Counsel will, of course, be available for a telephone conference at Your Honor's convenience to discuss that motion should Your Honor have any questions.

Respectfully,

/s/ Jack B. Blumenfeld
